

Multi-Ply ShearCare1500 Pressure Redistribution Foam Mattress

1500SC-1-FB

- Bariatric, latex free, therapeutic foam mattress provides pressure redistribution and shear/friction reduction
- Full width top layer is high-resilient, high-density die-cut foam for pressure redistribution and maximum support
- High-density foam bottom layer provides support and stability for the bariatric patient
- Patented LuraQuilt foam heel section offloads pressure from vulnerable heels
- Removable premium, multi-stretch cover is fluid resistant, low shear and vapor permeable helping protect the skin from friction and moisture
- Meets flammability standard CFR 1632 and CFR 1633
